I'm writing with exciting news. It is my pleasure to officially inform you that the Binghamton Chapter has been selected by the Penn State Alumni Association to receive an award for their 35th Anniversary Event in the Fellowship and Networking category of the 2017 Volunteer Awards Program. Congratulations! At its heart, the Penn State Alumni Association is a volunteer organization which is committed to doing good work in the name of our alma mater. Thank you for serving as a leader in this capacity and for helping us to advance the mission of our alumni association. We are proud of your group and its accomplishments.

Being selected for this award is certainly something to celebrate. An awards dinner will be held on Friday, Oct. 20, 2017 to recognize your group alongside 16 other affiliate group leaders and four individuals who are serving as models for volunteerism. Together, these awards comprise the Volunteer Awards. You are certainly in good company!

Once we are closer to the recognition ceremony, Barbie Collins, regional director of Volunteer Services at the Penn State Alumni Association, will be in touch about the award and the event. In the meantime, if you have any questions, please contact her at bhc10@psu.edu or by phone at (814) 865-1614.

I look forward to celebrating with you and your group in the fall. Once again, congratulations!

For the Glory,

Karen Keller '00
